

BOSS™ Certification Program

8-Week Professional Certification

Program Overview

A comprehensive 8-week certification program that takes you from fractional beginner to certified BOSS™ practitioner. Includes group coaching, advanced frameworks, and official certification.

Program Details

- Duration: 8 weeks with structured milestones
- Format: Self-paced learning + 6 group coaching sessions
- Investment: \$9,995
- Includes: All Bootcamp tools + advanced certification materials
- Certification: Official BOSS™ Certified Practitioner designation

Weeks 1-2: Foundation & Awakening

Phase: The Awakening + Advanced Assessment

Complete comprehensive BOSS™ Assessment with advanced diagnostics, deep dive into your archetype with personalized coaching, and develop your unique value proposition.

Weeks 3-4: Mastering The Ask

Phase: The Ask (Deep Dive with Katie Mehnert's Framework)

Master Katie Mehnert's "The Ask" methodology, build strategic relationships and partnerships, and develop advanced networking and referral systems.

Weeks 5-6: Building Your Practice

Phase: Build (Advanced Business Systems)

Design scalable business systems and processes, create premium service offerings and packages, and master advanced pricing and contract strategies.

Weeks 7-8: Pollination & Certification

Phase: Pollination + Certification Project

Execute comprehensive go-to-market strategy, complete certification project and case study, and earn BOSS™ Certified Practitioner designation.

Certification Requirements

To earn your BOSS™ Certified Practitioner designation, you must complete all 8 weeks of curriculum, attend at least 5 of 6 group coaching sessions, submit all deliverables on time, and present your final certification project.
